

REFERENCES FOR WATER PROJECTS

During the last 15 years, C.M.O. has supplied more than 20.000 units of different type of valves and penstocks for many Dams, Water Treatment Plants and Sewage Water Projects all around the world.

If you need any more information about any project please do not hesitate to contact us for more information about project. See below a few references of some of the projects we have done on past few years:

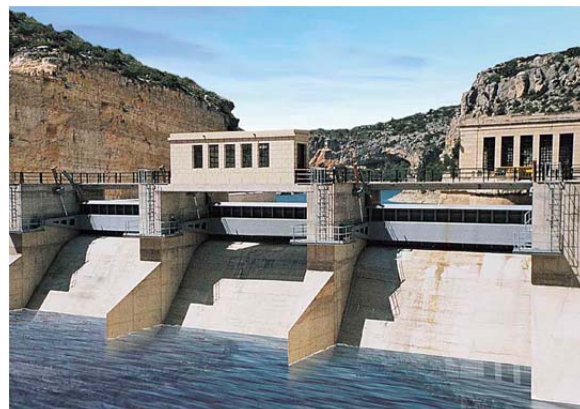

AUSTRALIA	2009	Watercorp Dam	4 units DN 800 Knife Gate Valves for sewage water
BELIZE	2006	Vaca Dam Project	DN 2000 Fixed Cone Valve
BELIZE	2010	Vaca Dam Project	DN 2000 Fixed Cone Valve
BULGARIA	2010	Novi Iskar Water Project	30 Knife Gate Valves DN 1200 for sewage water
COLOMBIA	2007	Paraiso Pump Station	Knife Gate Valves for Sewage Water
COLOMBIA	2009	Caruquia & Guanaquita Hydro Power Plant	Butterfly Valves DN 1500 x 2
COLOMBIA	2009	Antioquia Waste Water Plant	Penstocks and Knife Gate Valves for sewage water plant

COLOMBIA	2010	Alto y Bajo Tolúa Hydro Power Plant	2 units DN 1500 Butterfly Valves
CYPRUS	2007	Nicosia Pumping Station	Knife Gate Valves for waste water
ECUADOR	2009	Guayaquil Water Treatment Plant	Penstocks and Knife Gate Valves for sewage water plant
ESTONIA	2007	Tallin Water Treatment Plant	Knife Gate Valves for sewage water plant
ICELAND	2007	Hafnarfirdi Treatment Plant	Penstocks and Knife Gate Valves for sewage water plant
IRAN	2006	Dousti Dam Project	2 DN 1800 Fixed Cone Valves
IRELAND	2010	Dublin WWTP	15 Channel type penstocks different dimensions
LATVIA	2008	Riga Sewage Water Treatment Plant	Penstocks and Knife Gate Valves for sewage water plant
LATVIA	2007	Sarlin Pumping Station	Knife Gate Valves for waste water plant
